Shreveport, LA, 711105

Dear Ladies and Gentlemen,

On behalf of the residents at the Northwest Louisiana Veterans Home, thank you very much for the extremely generous donation making it possible to create a "movie theater" environment in the Multipurpose Room at the Home.

The residents really enjoy the sharp, bright images on the large screen TV and the larger images projected on the drop-down screen. One of the great features of the system is the ability to watch TV programs and DVD and Blu-ray movies on both the TV and drop-screen, and this coupled with the ceiling mounted speakers and subwoofer add a third dimension to the residents' viewing enjoyment. Movies, sports, and game shows are viewing favorites.

This and other projects funded and supported by Shreveport Lodge 122 and the Louisiana Elks Association add greatly to the quality of life of the residents of the Veterans Home and we sincerely appreciate all you do for our nation's veterans.

Sincerely,

A handwritten signature in black ink, appearing to read "Wesley Pepitone".
